**Subject:** Leo McFarlane recomendation

This is a letter of recommendation for vocalist Leonardo McFarlane.

Leo is a very talented vocalist and is highly recommended as a single act, as a guest entertainer on cruise ships, or front man to a party band.

His leadership skill are of a high quality and he will make an excellent bandleader.

Leo has done a fine job as a crew member in the musicians department aboard the Norwegian Jewel during the summer of 2017.

He has followed the rules and regulations required for Norwegian Cruise Line employment and is a responsible and trustworthy individual.

**Thank You,**
